We provide our own Sound System (400/amp w/speakers) for the ceremony and a thirty piece band

Regarding the use of San Jacinto Plaza, amplification may only be used on the stage. If you wish to use this area, you must also contact the Parks and Recreation Department, 6th Floor, and reserve the stage. A fee is charged for the use of this area. Additionally, other ordinances may apply to or restrict the use of city-owned property, including parks.

9. Method of Street and Right-of-Way cleaning:

Operation Santa Claus and personnel from Boys & Girls Club will provide personnel to clean area

Section 13.32.100 requires you to clean the streets, sidewalks, and other rights-of-way from all event litter and debris, including that left by spectators. In the event that you do not clean these areas, the City may perform such cleaning and you will be charged. You may also arrange in advance to have the Street Department perform the cleaning for a charge by filling out a separate request form and submitting it to Building Permits & Inspections Office no later than fourteen days prior to the date of the event.

RELEASE: In consideration of the permit for use of city streets, sidewalks, and other places held for public use, it is understood that the applicant(s) contained herein do hereby release and discharge the City, and its respective officers, directors, agents, and employees, jointly and severally, from any and all liability for illness, injuries and damages that may be suffered which arise out of or result from participation in this event.

OPERATION SANTA CLAUS

Mayor John Cook
City of El Paso
2 Civic Center Plaza
El Paso,, Texas 79901-1196
(915) 541-4145

June 3, 2005

Mayor Cook,

Last year the City Council authorized an agreement between the City and Operation Santa Claus Inc., stating that the city would provide the necessary funds to cover the costs of on-duty police traffic control assistance during the Operation Santa Claus Parade. Because this event constitutes an important purpose and benefit to the citizens of El Paso, we request that a similar agreement be made this year in support of the Operation Santa Claus Parade scheduled for December 9, 2005. Your contributions this year towards the El Paso Boys and Girls Club have been tremendous and in keeping with that spirit we would like to ask your attendance in our Parade festivities or the actual Ceremony which will take place at the Boy's/Girls Club facility. The parade will begin on Fort Bliss at 1:00pm and end at the Boy's/Girl's Club located at 801 South Florence Street. We would need the escort support from the Pleasonton (South) Gate on Fort Bliss to the Boy's/Girl's Club downtown. At approximately 2:00pm, a ceremony will be conducted officially turning over the toy's and bicycles to the Boy's/Girl's Club. We are looking forward to working with the community to make this event a success this year. If you have any questions, please call me at (915) 568-4867.

Sincerely,

Sergeant First Class James W. Prim

Dear Sergeant First Class Prim:

Reference is made to your application of July 18, 2005 requesting use of Paisano for the proposed Operation Santa Claus Toy Delivery Parade on Friday, December 9, 2005.

It is not our desire to discourage this activity, but we need to stress the outright danger involved in using state highways for this type of activity. We must, in good judgment, recommend against the use of these highways for the proposed Operation Santa Claus Toy Delivery Parade. If, after consideration of the danger and liability involved, your organization remains resolute in its intentions, then this department can only suggest you comply with the following guidelines to provide safety for the event:

1. The local authorities, El Paso Police Department, shall provide adequate traffic control throughout portions of the Operation Santa Claus Toy Delivery Parade. This shall include advance warnings to motorists and motorized escorts by police units to ensure that the traveling public is aware of participants as well as more areas of safety by slowing down motorists.
2. Preparation and termination areas of event shall be located off the highway right-of-way.
3. It is recommended the event proceed in the same direction as the normal traffic flow.

If you have any questions concerning this matter, please contact Ms. Monica O'Kane at (915) 790-4309.

Sincerely,

Edgar E. Fino, P.E.
